**TALX AND UNITED STATES POSTAL SERVICE  
TO CO-PRESENT  
AT HRO WORLD IN NEW YORK MAY 5-6**

--

**TALX Teams Up with Nation's Second Largest Employer on  
"Achieving 'First Class' Delivery: Shared Services and Selective Outsourcing"**

**St. Louis (PR Newswire) – (April 21, 2009) --** TALX, provider of Equifax Workforce Solutions and a leader in human resource and payroll-related services, today announced the highlights of its involvement at the Annual HRO World Conference & Exposition. The conference, which this year will have a special focus on "Developing Effective HR Leadership for Tough Times," takes place at the Hilton New York in New York City, May 5-6.

Mike Smith, Senior Vice President of Marketing, TALX and Anthony J. Vegliante, Chief Human Resource Officer(CHRO) and Executive Vice President (EVP), United States Postal Service, Washington D.C. will kick-off Wednesday's sessions as they co-present "Achieving 'First Class' Delivery: Shared Services and Selective Outsourcing at USPS."

The presentation takes place from 8:45 – 10:00 am on May 6<sup>th</sup> and provides a close look at how the nation's second largest employer standardized many independent, paper-based HR processes in order to produce one integrated HR system...and the role TALX played in helping to achieve this benchmark.

In addition to the presentation, TALX will have industry thought leaders on hand throughout the conference and are hosting exhibit booth #200.

"NY HR Week is a terrific conference that I have found attracts the unique blend of HR practitioners, experienced consultants and leading providers. We are delighted to be co-presenting with Tony Vegliante, CHRO and EVP, United States Postal Service. USPS has a unique story to tell regarding successful shared services and selective outsourcing and we are looking forward to continuing HR NY's record of providing relevant content that is ready to apply to the most pressing HR decisions," said Mike Smith, senior vice president, Marketing, TALX, provider of Equifax Workforce Solutions.

Tony Vegliante, CHRO and EVP of U.S. Postal Service said: “We are very pleased to be participating in NY HR Week for the first time. I believe our joint session with TALX will provide HR executives with practical solutions for challenging times. I am also looking forward to networking with other attendees, not only to impart the critical lessons we have learned, but to listen and learn from the broad array of industry leaders this conference attracts.”

HRO World Program Chair Elliot Clark comments, “We are happy to welcome Tony Vegliante and the U.S. Postal Service to their inaugural experience with HR NY. We are certain that their session, co-presented with industry leader Mike Smith, TALX, will provide the caliber of comprehensive insight and solutions that our attendees seek. Because of the U.S. Postal Service’s role in the government sector, we are pleased to be able to offer this session to attendees of HRO World and HR & EEO in the Federal Workplace. This is a session set to deliver hands-on experience and ready-to-apply information that is the benchmark of HR NY.”

**About TALX:**

TALX, provider of Equifax Workforce Solutions and a leader in human resource and payroll-related services, is based in St. Louis. TALX holds a leadership position in automated employment and income verification as well as unemployment tax management. TALX provides over 9,000 clients, including three-fourths of Fortune 500 companies, with Web-based services focused in three employment-related areas: hiring, pay reporting and compliance. Hiring services include assessments and talent acquisition, onboarding, and tax credits and incentives. Pay reporting services include electronic time tracking, paperless pay and W-2 management. Compliance services include employment and income verifications through The Work Number, unemployment tax management and I-9 management.

Equifax is a global leader in information technology and one of the largest sources of consumer and commercial data. For more information about TALX, access the TALX website at [www.talx.com](http://www.talx.com), or visit the Equifax website at [www.equifax.com](http://www.equifax.com)
